July 14, 2017

Dear Bostik Distributor:

We are pleased to announce that Bostik now recommends the mortars listed in the below with polyethylene uncoupling membrane and fleeced sheet membranes. These mortars include:

Glass-Mate™  
Reflex®  
StoneWall™  
Big Tile & Stone™  
Single-Flex® FS  
Single-Flex®  
Bostik PM™  
Ditra-Set™  
Porcelain-Mate™

Bostik has extended the warranty period of Ditra-Set™ to 25 years. For all other mortars Bostik's standard warranties apply and may be found at [www.bostik.com/us](http://www.bostik.com/us) along with the technical and safety data sheets. We will be updating our Technical Data Sheets to reflect this new recommendation.

We very much appreciate your support of our products! If you have additional questions please contact your Territory Manager.

Best Regards,
