\*Underneath Nuheat Membrane by Progress Profiles as a part of Kiesel floor preparation system prior to Nuheat Membrane by Progress Profiles membrane installation. Above mentioned Nuheat product must be adhered with specified Kiesel products. Kiesel products must be mixed and applied as per our strict instructions in the respective technical data sheets.

Please contact Kiesel technical department before commencing commercial jobs for additional guidelines. Kiesel Bauchemie does not recommend to install tiles over freshly installed Nuheat Membrane by Progress Profiles. This recommendation refers to interior dry areas installations only (contact Kiesel technical department for further guidelines regarding exterior installations).

In case of doubt contact Kiesel Technical Department of North America.
