NUHEAT WARRANTY (EXCLUSIVE OF CONTROLS)

WARRANTY COVERAGE:

Nuheat's warranty obligations are limited to the terms set forth below:

Nuheat Industries Limited warrants each Nuheat Cable that it sells to be free from defects in material and workmanship effective on the date of the purchase of the Nuheat Cable by the original purchaser. The warranty shall remain effective for a period of twenty-five (25) years from the date of original purchase of the Nuheat Cable. The maximum liability of the company is limited to the cost of the original Nuheat Cable multiplied by the percentage of the warranty period remaining.

WHAT NUHEAT WILL/WILL NOT DO:

Nuheat's obligations under this warranty are limited to, at its sole discretion, repairing or reimbursing the Nuheat Cable originally supplied in the product that Nuheat has determined to be defective in materials and workmanship.

Nuheat shall repair or reimburse, at its sole and entire discretion, the defective Nuheat Cable free of charge. Repair or replacement will only be made for defective parts; and no allowance or reimbursement shall be made for wages, labor and freight costs. Should Nuheat choose to reimburse the cost of the Nuheat Cable, it will do so at the lesser of the value of the purchase price or the suggested retail price for the same item.

Because of our ongoing commitment to product quality and innovation, Nuheat reserves the right, at any time and without incurring any obligations, to revise, change, modify, or discontinue any specifications, features, designs or components.
